

Joey Velberg | Young Master

Privacy Policy

In this statement you will find an overview of the personal data that I collect, why I collect that data and what I do with it. Privacy is an important universal right and I will do everything in my power to maintain it. That is why I treat the information you provide with care.

I only use personal data for purposes that have been agreed upon. I do not share this information, unless explicitly permitted by you. I will secure your personal information, both digitally and on file.

When you have questions, suggestions or complaints regarding the way I handle your data, you can contact the official protection agent of Joey Velberg | Young Master, Joey Velberg, at any time you want. The quickest way to do so would be to send an email to hello@joeyvelberg.com

I only store the next data:

- Name and surname
- Address
- Phone number
- Email address
- File that consists of:
 - Workshop and/or coach plan, which may include an evaluation report
 - Report of the methods used during sessions
 - When there is a commissioner other than customer:
 - Name, email address and phone number of the contact person on behalf of the commissioner
 - If relevant for the trajectory: your job title

I only save the data necessary for customer/contractor contact. Your file will be automatically destroyed six months after our final meeting. The period of six months is to be maintained at all times due to the possibility of after care, or a restart of coaching sessions.

I use your data for the following purposes:

- To contact you on business matters we agreed upon
- To inform you on necessary information regarding a homework assignment, a coaching trajectory or a workshop that you signed in for

You have the right to see, adapt or have your data removed, at all times. You can do so by contacting the designated information officer through email.

Joey Velberg | Young Master takes protecting your data seriously and vouches to take measures against misuse, loss, unauthorized access, unconsented disclosure and illicit changes. When you are under the impression that your data is insufficiently secured, or when you have plausible for any data transgressions, please contact hello@joeyvelberg.com

Finally, I would like to point out that you have a possibility to file a complaint at the Dutch national supervisor 'Autoriteit Persoonsgegevens', or authority on data protection. Click on the following link to do so:
