---

Personal leadership starts with you: with insights into who you are, what drives you and what you want to achieve. In this training, you will discover how to consciously steer your own behaviour, thoughts and goals. You will learn to shape your story in a proactive way, enabling you to effectively handle challenges and stand stronger in the face of change.

This training offers you tools to take control of your personal and professional life with greater focus, energy and confidence. Through practical exercises and reflection, you will gain clarity on what is truly important to you and how to act accordingly. In doing so, you increase not only your own effectiveness but also your impact on others.

### **PROGRAMME**

This training includes:

- Core values
- Sphere of influence
- Golden circle
- Listening
- Communication

### **PURPOSE**

After following this training, you will have gained profound insights in who you are and what you value, both in your personal as well as professional life. You have redefined the relationship you have with yourself, which enables you to improve the relationship you have with others. Which in turn has made you more effective on collaborations. And you have additional tools to affect change.

### **FOR WHOM**

This training is for professionals who want to improve their communication, collaboration and influence. Everything I do is customization. In consultation with the customer, this training can be given to beginners, intermediates, or advanced participants. So that the training optimally matches where you are now, and you can grow towards where you want to be.

## **PRACTICAL INFORMATION**

The study load for this training is equal to the duration of the training, namely half a day. No preparation is necessary. Also, there will be no explicit homework afterwards. The training itself is not only an educational experience, but also a powerful intervention.

Study materials do not need to be purchased. If the use of exercises in the form of paper instructions, cards or other working methods is necessary, the trainer will take care of this.

No prior education is required to follow this training.
